L, M, H denote a low, medium or high value for each item. Valuations were determined with information from [Salvation Army \(SA\)](#) and [Goodwill \(GW\)](#). All items must be in good to excellent condition to be tax-deductible. Choose a value based on the age and quality of your items. Donation values are approximate values only. It is up to you to assign a value to your item. For more valuations, visit the websites hyperlinked above or talk to your accountant.
